The Northeast Atlanta Ballet is a pre-professional, non-profit ballet company. Jennifer B. Gordon founded the company in 1996 in an effort to increase arts awareness in the local community by providing quality classical productions at affordable family pricing. The Northeast Atlanta Ballet (NEAB) performs a full season including a fall concert, the traditional version of The Nutcracker with live orchestra, a full length classic in the spring with live orchestra, and our children's series in the summer. Our repertory of full-length ballets includes Cinderella, Sleeping Beauty, Coppelia, Peter Pan, Swan Lake, Aladdin, Emperor & The Nightingale, Giselle and more. Dancers also present contemporary and modern works in our fall concert series. In addition to our annual production of "The Nutcracker" in November of 2021, the Northeast Atlanta Ballet will perform the full length production of "Contemporary Masterworks" in September of 2021, "Coppelia" in March 2022 and "Little Mermaid" in May 2022. All performances are currently scheduled at the Gas South District Theater (Formerly called Infinite Energy Center).

A full size (8 1/2 x 11), high gloss, professionally printed program will be printed for the full-length ballet productions with available advertising space. If you purchase an ad, it will appear in the program for each show reaching over 11,000 community minded people. The ad will run in the program for "Frozen Heart" in September, "The Nutcracker" in November, the spring 2020 production of "Sleeping Beauty", and the summer 2020 production of "Beauty & the Beast".
